SPRING BREAK SPEEDS UP!

...WITH THREE DAYS OF HOT LAPS AND HIGH DRAMA

NTT INDYCAR SERIES

It'll be experience vs. youth in this year's NTT INDYCAR SERIES race at Long Beach! Six-time series champion Scott Dixon, two-time champion and defending Long Beach winner Josef Newgarden and two-time Long Beach winner Alexander Rossi will lead a platoon of veteran drivers that also includes defending series champion Will Power and Graham Rahal around the legendary 11-turn course. The "young guns" are led by 2021 INDYCAR SERIES champion Alex Palou, 2021 Acura Grand Prix of Long Beach winner Colton Herta and other promising up-and-comers, including Pato O'Ward and Marcus Ericsson. The 85-lap donnybrook takes the green flag at 12:45 p.m. Sunday.

IMSA WEATHERTECH SPORTSCAR CHAMPIONSHIP

Three high-speed classes – including the highly anticipated Grand Touring Prototype (GTP) class featuring LMDh hybrid-powered prototypes – will battle it out in 100 minutes of wheel-to-wheel action, including midrace driver changes, Saturday at 2 p.m. Four car makers – Acura, BMW, Cadillac and Porsche – have developed these state-of-the-art machines for 2023 that combine a traditional internal combustion engine with a hybrid system for ultimate power and efficiency. In addition to GTP, the GTD PRO and GTD classes – featuring GT3 specification cars resembling those you drive on the street, but modified for racing – will compete at Long Beach.

Southern California's

200-MPH Beach Party™

SUPER DRIFT CHALLENGE

A pack of top Formula DRIFT drivers will be smoking, slipping and sliding their cars through Turns 9-10-11 under the lights Friday and Saturday evenings in two action-packed events.

SPEED/UTV STADIUM SUPER TRUCKS

Fender-bending is the order of the day as racing trucks go flying off ramps and bashing their way through the turns in the streets of Long Beach for two 30-minute battles (Sat. and Sun.). Series founder Robby Gordon has won here while Gavin Harlien captured the series championship last year. SPEED/UTV Stadium SUPER Trucks feature identically prepared high-horsepower trucks. The versatile off-road trucks race on virtually any surface.

PORSCHE DELUXE CARRERA CUP NORTH AMERICA

Make no mistake: A driver's skill is what makes ALL the difference in this series. That's because the cars – road-based Porsche 911 GT3 Cup Cars – are identically prepared, and 30-35 sleek entries will battle through a pair of 40-minute races (Sat. and Sun.) as part of the series' eight-event 2023 schedule.

HISTORIC F1 CHALLENGE

It's a return to the original roots of the Grand Prix of Long Beach with vintage Formula One cars from the 1970s and 1980s, many of which raced on these very streets! F1 cars raced here for eight years and saw a star-studded list of winners, including Mario Andretti, Niki Lauda, Nelson Piquet, Clay Regazzoni and Gilles Villeneuve.

LIFESTYLE EXPO

Exhibits and fun - free for all ages!

The **Lifestyle Expo** in the Convention Center features more than 100 displays involving cars, home, health, recreation, travel and U.S. Armed Services organizations. The Expo also hosts the popular **NTT INDYCAR SERIES Fan Experience**.

The Expo's **Family Fun Zone** in the Arena is complete with KidRacer electric-powered cars for kids ages 4-6 to test their racing skills, along with kid friendly giant inflatables, a bungee jump and much more.

For some unique fun, try taking a tour of the lagoon area near Turn 6 and the Hyatt Long Beach Hotel in Long Beach's famous **Swan Boats**, which you can rent on site.

And, if you enjoy watching team mechanics work on their race cars, the Historic Formula 1, Porsche Carrera Cup North America and Stadium SUPER Trucks series paddocks are located in the Expo. And in the Arena see NTT INDYCAR SERIES technical inspections in progress along with the Super Drift cars positioned in their paddock.

The Expo is also expected to hold autograph sessions with drivers from various racing series.

The Lifestyle Expo is open Friday and Saturday from 8 a.m - 6 p.m. and Sunday from 8 a.m. - 5 p.m.

And it’s all presented by the **Committee of 300** – the famous “Red Coats” – who assist and staff the race with volunteers in a variety of capacities such as grandstand supervisors, helping race fans to find their seating, ATMs, food, restrooms and providing information about local City of Long Beach restaurants and attractions.

The C300 was founded along with the Inaugural Long Beach Grand Prix in 1975. Today, along with race weekend service, they also use their time and talent to promote the race at car shows, other racing venues, fundraisers and special events. For more information about **Club C300** or Committee of 300 membership, call (562) 981-9200, visit committeeof300.com or stop by the **Club C300** on race weekend for a close-up look at all the fun!

GRAND PRIX FOUNDATION

More than \$4 million has gone to local charities

Now in its 32nd year, the Grand Prix Foundation of Long Beach raises and distributes charitable funds to the Long Beach City College Career Technical Education (CTE) program through events held in conjunction with the Acura Grand Prix of Long Beach.

This year, the Foundation hosts its popular **Grand Prix 5K** – “Run the Course” – on Sunday, April 2, an event enabling fans to run/walk on the famed Long Beach race circuit in a fun, family-oriented 5K, complete with finishing medals, displays and hospitality.

The Foundation also supports the Robert E. Leslie Scholarship program giving \$1,500 grants to seven Long Beach-area high school seniors, donates race tickets/hospitality packages to charitable and civic organizations for their fund-raising and organizes and assists in bringing physically or mentally challenged youngsters to a day at the races.

For more information about the Foundation and its activities, visit gpfb.com or call (562) 490-4509.
